FOR IMMEDIATE RELEASE**Winchester Orthopaedic Associates (WOA) Expands Practice with Addition of Bone and Joint Specialists of Winchester**

Orthopaedic specialists at WOA's new location will increase access to comprehensive, physician-led musculoskeletal care in Winchester

WINCHESTER, Va. – September 9, 2026 – [Winchester Orthopaedic Associates](#) (WOA), a division of the [Centers for Advanced Orthopaedics](#) (CAO) and a trusted orthopaedic care provider in the greater Shenandoah Valley for more than 50 years, today announced the expansion of its practice with the addition of [Bone and Joint Specialists of Winchester](#).

This partnership unites the expertise of two established orthopaedic practices under the WOA name. WOA's team will now include eight orthopaedic physicians and nine advanced practice providers, giving patients greater access to comprehensive, physician-led musculoskeletal care closer to home.

"Winchester Orthopaedic Associates has cared for families in this community for decades, and welcoming the talented team at Bone and Joint Specialists of Winchester empowers us to build on that legacy," said Dr. Tom Wise, a musculoskeletal expert and surgeon at Winchester Orthopaedic Associates. "Together, we're enhancing access to the full range of orthopaedic expertise patients need, without ever having to leave Winchester for specialized care."

Patients can continue to receive care at both convenient Winchester locations:

- 128 Medical Circle, Winchester, VA
- 152 Linden Drive, Winchester, VA

The growing practice offers expertise across a broad range of orthopaedic specialties, including sports medicine; joint replacement; hand and upper extremity; trauma; physical therapy; hand therapy; occupational therapy; and non-operative care.

This expansion strengthens WOA's longstanding presence in the greater Winchester community by bringing additional physicians and patient-centric care to meet the region's needs.

About Winchester Orthopaedic Associates

Winchester Orthopaedic Associates, Ltd. (WOA) has been a leader in comprehensive and compassionate orthopaedic care since 1973. The talented WOA team of providers offers a full range of general orthopaedic surgery, physical therapy, and occupational therapy services. WOA is devoted to providing personalized care to patients of all ages.

About The Centers for Advanced Orthopaedics

The Centers for Advanced Orthopaedics (CAO) is one of the largest providers of orthopaedic care in the country. The organization was formed in 2013 to provide patients with the same personalized service and superior care they have come to expect from a private practice, while benefitting from the efficiencies, resources, accessibility and broader insurance options of one of the country's largest orthopaedic practices. CAO is evolving to offer patients the full spectrum of musculoskeletal care. Through empowering the private practice model, CAO delivers the most efficient, compassionate, and highest-quality care to the communities it serves.
